Orange County Health Department Seeks Input for the 2023 Community Health Assessment

Hillsborough, NC June 20, 2023 — The Orange County Health Department (OCHD) is conducting a countywide survey to learn more about the health and quality of life of residents and community members in Orange County.

Participation will help determine the future direction and focus of human, physical, and financial resources for the OCHD, Healthy Carolinians of Orange County (HCOC), the Board of Health (BOH), and other county agencies and organizations.

The survey is completely voluntary and should take about 10–15 minutes to complete. There are no right or wrong answers to any question. All answers and information provided are and will remain confidential.

To complete the survey online, copy and paste the following URL:

https://redcap.link/ochd2023cha_public into your address bar. Please note that the survey is available in English, Spanish, Karen, Burmese, and Mandarin.

Residents who prefer to take the survey over the phone, in another language or need special accommodations, please contact: Ashley Rawlinson, Public Health Program Manager at (919) 245-2440.
